

ACCU-CHEK® Guide Me

Roche

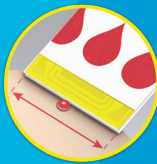

SIMPLY EASY FOR YOUR PATIENTS

People with diabetes need simple solutions to manage their blood glucose. The Accu-Chek Guide Me system is designed for quick, easy testing that can help your patients find success.

In a survey of people with diabetes who evaluated the Accu-Chek Guide SmartPack vial and test strip:

88% of patients found it was easier to remove a strip compared to a standard round vial.¹

95% of patients found it was easier and faster to correctly place a small amount of blood on the end of the strip.¹

EASY TESTING

Wide dosing area: Apply a blood drop anywhere along the entire width of the yellow edge.

Easy-to-read results: with a the large display.

Spill resistant vial: Easy to remove strip from the vial.¹

Familiar handling: Simple, two button navigation.

Accu-Chek Softclix lancing device: Simple lancing that's virtually pain free.²

CLEAR AND SIMPLE TRACKING

The Accu-Chek Guide Me system can be connected to the mySugr app via *Bluetooth*® to log blood glucose values automatically and create a seamless and easy diabetes management experience.
